

1 I'm here.

Let's simulate together **how much you can borrow**

2 Searching for my future home.

3 Signature of the sales agreement.

4 I fix a meeting with Albalux Crédit and prepare the list of documents requested by email.

5 Albalux Crédit works with me to prepare my mortgage application.

6 Albalux Crédit negotiates the best terms and conditions for me with the banks.

Of course, and we choose bank no. 3

7 Now we need to look at the insurance required by the bank

8 Hello dear future owner, I'll meet you at our offices to sign your property loan contract.

9 The bank contacts the notary to draw up the mortgage deed.

10 The notary sends me a letter requesting information to draw up the deed of sale/purchase.

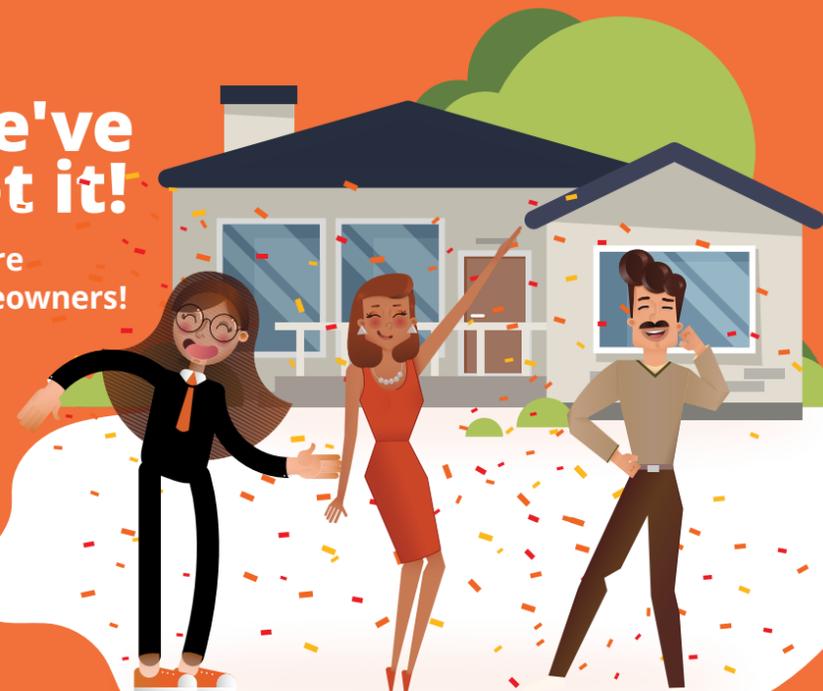

11 After obtaining the information the notary contacts me to make an appointment to sign the deeds.

12 We've got it!

We are homeowners!
